Chapter 3: Review

KEEP QUESTIONS AND ANSWERS TOGETHER

Question: What is the area of a 2 x 7 rectangle?

FILE PAGE 07 / 08

Printed page: 5

For splitting and source checks only; this is not an OCR result.

Two front-matter pages make printed page 1 equal file page 3.

ANSWER TO THE PREVIOUS PAGE

Area = 14 square units. End of Chapter 3.

FILE PAGE 08 / 08

Printed page: 6

For splitting and source checks only; this is not an OCR result.

Two front-matter pages make printed page 1 equal file page 3.
