Fictional quantity table

Self-authored public sample; no real stock, orders or customer records.

Page marker: A0 | Unit: count | Two fictional data records.

Both pages use the same paper frames, base coordinates and table layout.

Zero is explicitly written. No data cell is intentionally blank.

ID	Fictional item	Quantity (count)
A01	Fictional spruce label A	0
A02	Fictional spruce clip A	12

The page rotation is stored as /Rotate; the text above is not counterrotated.

This is a source fixture, not an OCR result or an exported workbook.
