Fictional amounts and note marks

Self-authored public sample; no real accounts, invoices or transactions.

Unit: CNY. Decimal point notation. Every amount is explicitly recorded.

Two paired amounts have a smaller raised note mark after the base value.

Source meaning only; exported values, types and display are not yet tested.

ID	Fictional item	Amount (CNY)
PLAIN-A17	Fictional spruce card A	12.50
NOTE-B29	Fictional spruce card B	12.50[1]
ZERO-C43	Fictional spruce card C	0.00
NOTEZERO-D58	Fictional spruce card D	0.00[1]

Source note outside the table

Note 1: Marked values are fictional provisional amounts.

The raised 1 applies to NOTE-B29 and NOTEZERO-D58 only;

it is a review note mark, not part of the amount or an exponent.

No amount is missing. The two plain rows have no attached note mark.

The table contains no sums, percentages, regional separators or formulas.
