

# 05 / Small data table

Self-authored sample. Keep this page label when comparing split outputs.

FILE PAGE 5 OF 8

Section: Small data table

This file mixes seven small text pages with one larger simulated scan.

Splitting changes page groups. It does not promise a strict byte limit.

Check each downloaded PDF, not only the combined ZIP size.

No names, accounts, payment details or customer documents are used.

Batch | Packets

A | 18

B | 28

C | 20

TOTAL | 66

## 06 / Review notes

Self-authored sample. Keep this page label when comparing split outputs.

FILE PAGE 6 OF 8

Section: Review notes

This file mixes seven small text pages with one larger simulated scan.

Splitting changes page groups. It does not promise a strict byte limit.

Check each downloaded PDF, not only the combined ZIP size.
